Over 7 Million Parents Trust Sylvan – Here's Why You Can, Too

With more than 40 years of experience in personalized learning for grades K-12, you can trust that the Sylvan Method™ works. Students in our centers see up to 3x more growth in their math and reading scores than their peers.

Your child will:

- Get supplemental support to keep the learning going
- Grasp foundational concepts and begin to develop a more positive outlook
- Become more self-driven and motivated
- Master the right skills for school and beyond

Our Highly Personalized Approach to Tutoring Delivers Results

Whether your child needs to master foundational skills or learn advanced concepts, we provide the supplemental support that leads to greater learning. And, you'll see this impact not only in school, but in all areas of life.

Here's how we customize our programs to fit your child's unique needs:

- We evaluate your child's strengths and opportunities, so we know exactly where to start
- We create a personal learning plan that "adapts" to your child's own skill level and pace, so your child feels
